

Cooker hob Foster Milano 7637 000

Cooker hobs

Code: 7637 000

DETAILS

Finish	Foster brushed
Material	AISI 304 stainless steel
Texture	Satin
Supply	220-240 V; 50.60 Hz
Edge/Installation Type	Flush-mount | Top-mount
Dimensions	820x560 mm
Base size	90cm
Heating element	Four burners
Cut out	Check technical data sheet

Grids	Cast iron grids and enamelled burner covers
Total power	9.950 W
Auxiliary	1.000 W
Semirapid	1.750 W
Rapid	3.000 W
Dual	4.200 W
Power settings	9 power settings per zone
Safety	Safety valve with quick-acting thermocouple
Ignition	Electric ignition under knob
Gas type	Tested for installation with natural gas, LPG nozzle set included.
Type	Gas Hob

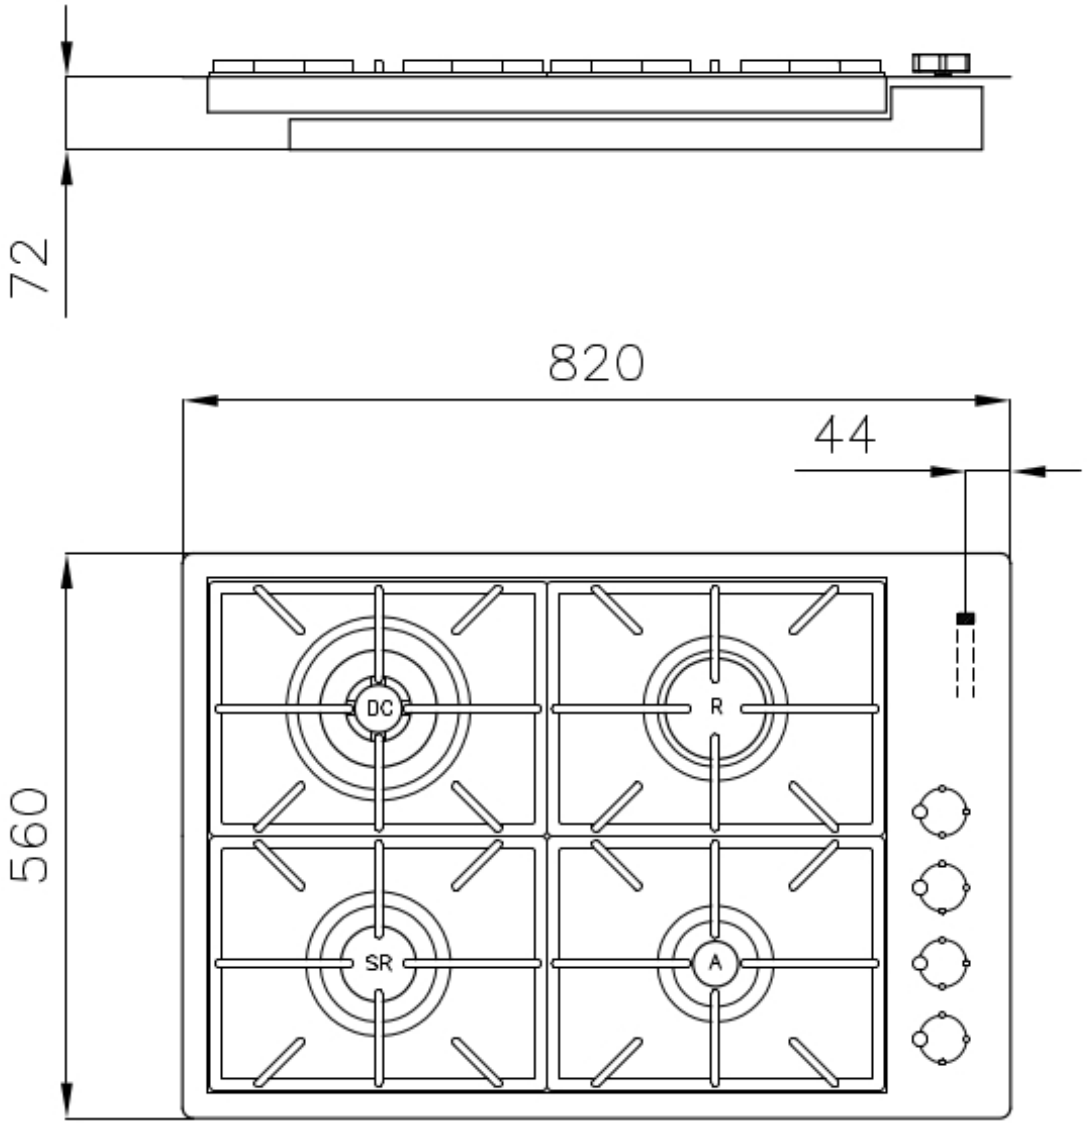

EQUIPMENT

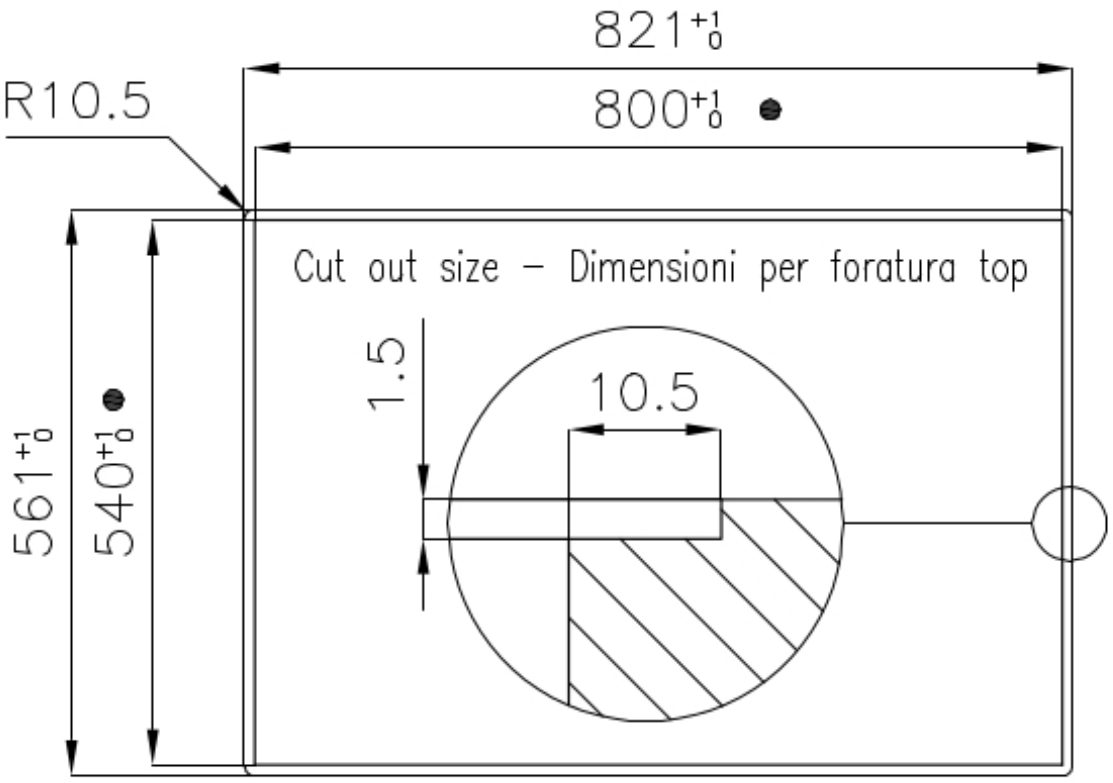

1 x Cast iron wok support 9601 727

FEATURES

56 cm deep	56 cm deep. An increased dimension synonymous with great functionality, which distinguishes the Foster Milano series.
Aeo burners	The AEO burners guarantee up to 25% energy saving compared to standard burners. All models are designed with The Dual burner with 2 independent crowns, controlled by a single knob, delivers from 1 to 5KW, a power that can only be found in professional models.
Cast iron grids	Cast-iron is the ideal material for an hob grid, this due to the manifold properties characterising it: high heat capacity that improves cooking performance; high weight and stability that improve safety; sturdiness that preserves the hob's original aspect over time; easy cleaning.
Safe cooking	All Foster cooker hobs are equipped with safety valves. They shut off the gas supply very quickly if the flame accidentally goes out.
Special burners	Many Foster hobs are equipped with special burners, with two or three rings of fire that greatly increase the power delivered and the heated surface. In the DUAL models the two fire crowns also have independent ignition, making these burners perfect for both intensive and delicate cooking.
Under-knob ignition	The utmost freedom of movement with electronic under-knob ignition, a common feature of all models that allows a one-hand ignition of the burner.
XXL grids	The weighty enamelled cast iron grid has extraordinary dimensions, 33x25 cm, with a working surface up to 50% bigger compared to a standard cooker hob. Now you can use all the burners at the same time even with large cookware.
